

For all students at Minami Katsushika Night High.

- The period of no classes is prolonged. We will have no classes also on Thursday, May 7th and Friday, May 8th.
- We have had no classes since March 2nd to prevent the spread of the novel coronavirus infections. Since the state of emergency has been declared, we have strongly required all students to refrain from going out for 80% reduction of contact between people.
- We are now at the most important time to protect your lives, your important family and friends. Especially how you spend your Golden Week is very important.
- In order to save the situation as soon as possible, Tokyo Metropolitan Government is now taking the “Stay Home and Save Lives Week” measures from April 25th to May 6th. We require all students to know the importance of the Week, to refrain from going out more than ever, and to study and take some exercise at home.

Accumulations of behaviors by each person will produce big power. Please stay home and spend useful time so that we can restart our school life as soon as possible.
