

May 7th, 2020

For all students and parents at Minami Katsushika Night High.

About the measures following the extension of “the declaration of the state of emergency” over covid-19.

The government extended the period of the declaration of the state of emergency. Following the decision of Tokyo Metropolitan Education Board after the governmental policy, our school will extend the period of no-classes as shown below.

We suppose all students and parents are spending everyday life in anxiety. We sincerely ask all students to keep on studying at home for a while, doing your best for the prevention against coronavirus infections and taking care of your health and safety.

1. The extended period of no-classes, temporary closure.

From May 7th to May31st, 2020

2. School Days

No School days are scheduled for the time being

3. Homework

Basically we will send your homework and so on to your home by post.

Homeroom teachers will give you necessary advices.

4. Others.

- * During the period of studying at home, please try to keep your regular life and study hard. For example, to make a timetable of each day and to make a schedule of each week is a good way.
- * Homeroom teachers plan to contact you once a week. We ask you to stay home as much as possible and to keep the situation we can contact you.
- * When you go out for unavoidable cases, please avoid crowded places and go back home as soon as possible after finishing what you have to do. And please thoroughly take measures for preventing infections, such as washing your hands, gargling and so on.
- * If you and your parents have any worries and troubles, please contact and consult homeroom teachers without hesitation.

In addition, including the rescheduling of the period of no-classes, when the date our school restarts is confirmed, we will inform you of it again. All teachers are looking forward to seeing you in good health and much energy.
